**REAL  
CONNECTIONS**

## *Real People:*

Our greatest asset is our people. We come from many walks of life and rely on this diversity in our everyday pursuits.

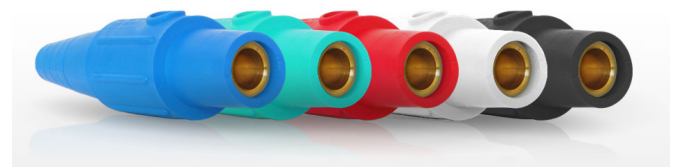

We hire dedicated, motivated, competent people, and we value disposition over experience. At Clinton Nevada, job number one is to make you our number one job.

## *Real Connections:*

For years, we've connected our clients with the right products competitively priced and on time. Equally important for us is to make a real connection with each of our customers. With a dedicated account executive, you are always connected to our greatest asset, our people. Our entire team understands that your success is our success, so we work hard to deliver on time and get it right the first time.

## *Committed:*

Quality Products | Competitively Priced |  
Reliable, Friendly, Knowledgeable Staff |  
Award Winning Customer Service
